

1. FOUNDATION – live by grace

Take 3 minutes a day with the devotional in your hand, and (1) invoke the Holy Spirit by saying "Dear God my Father, I pray to you in Jesus' name, through your Holy Spirit" and ASK the Father to (a) "allow the Words of the devotional to transform your heart," and (b) "bring you in closer relationship with Him," and ASK to be [c] "humbly be one in spirit with Him," (2) next say personal prayers that are close to your heart and sharing your hope but trusting that His will be done, then (3) read the Word of God in Jesus.

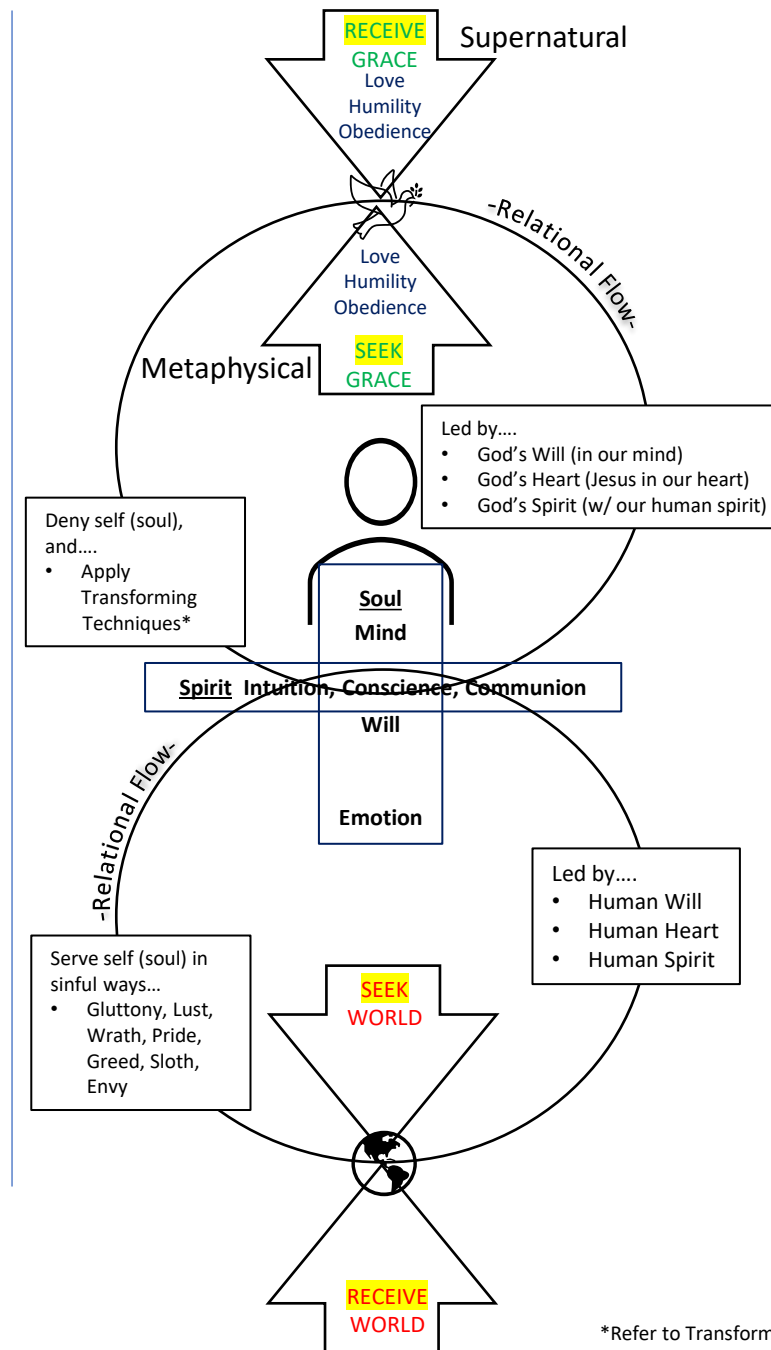

Spiritual Creed: We have free will to find spirituality on our own, through others, and through religion, and the choice to seek grace with the God of Trinity and live a spiritual life in a...

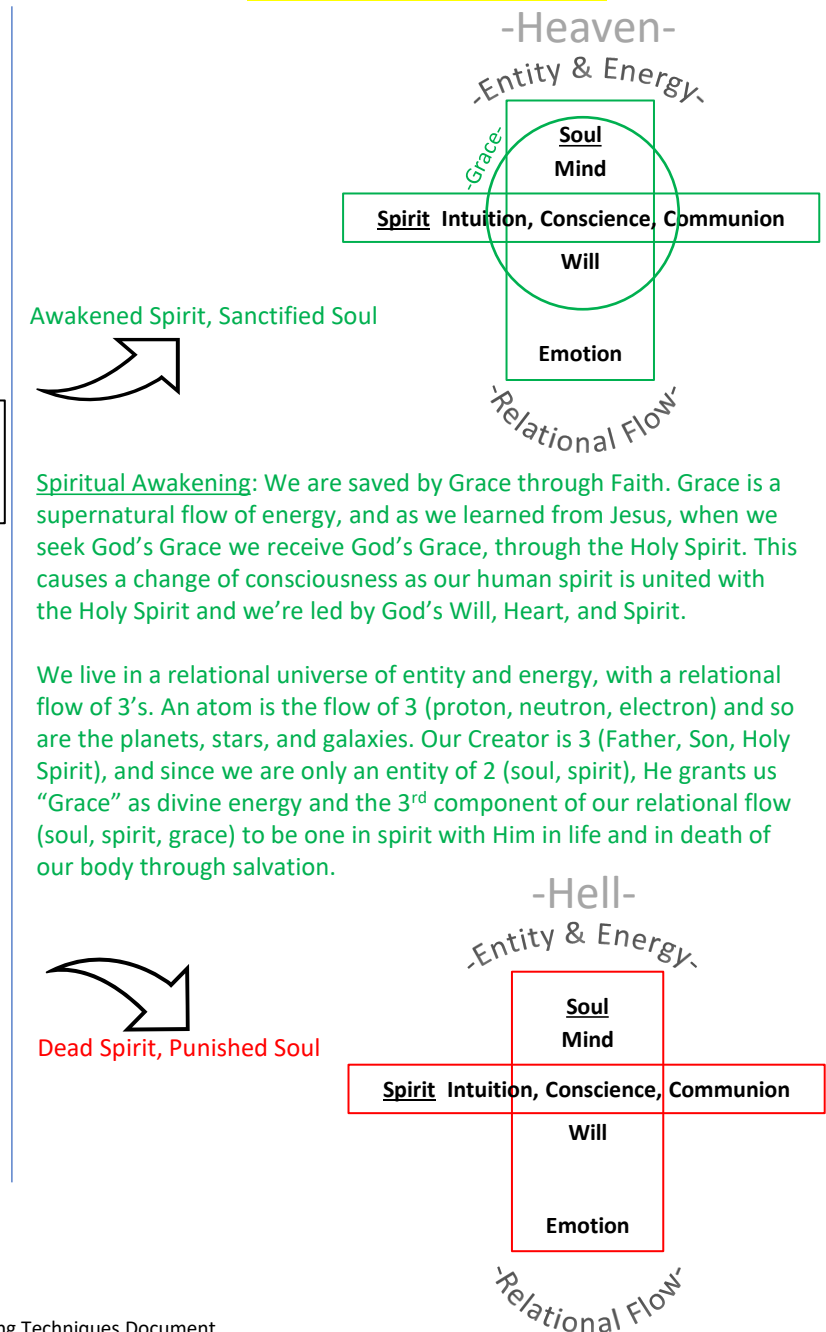

- (1) relationship with God's will (in our mind) through prayer and conversation
- (2) relationship in Jesus (in our heart) through reading His words
- (3) relationship through the Holy Spirit that can guide our human spirit ...and transform our soul to interact with God and the world ...through a metaphysical state of grace that flows in:
 - love
 - humility
 - obedience with God through prayer and reading His words in Jesus

SPIRITUAL BLUEPRINT

2. FRAMEWORK – seek to receive grace

3. FUTURESTATE - saved by grace

Awakened Spirit, Sanctified Soul

Spiritual Awakening: We are saved by Grace through Faith. Grace is a supernatural flow of energy, and as we learned from Jesus, when we seek God's Grace we receive God's Grace, through the Holy Spirit. This causes a change of consciousness as our human spirit is united with the Holy Spirit and we're led by God's Will, Heart, and Spirit.

We live in a relational universe of entity and energy, with a relational flow of 3's. An atom is the flow of 3 (proton, neutron, electron) and so are the planets, stars, and galaxies. Our Creator is 3 (Father, Son, Holy Spirit), and since we are only an entity of 2 (soul, spirit), He grants us "Grace" as divine energy and the 3rd component of our relational flow (soul, spirit, grace) to be one in spirit with Him in life and in death of our body through salvation.
